MTCR Obstacles for India's Missiles Development Programme

4140. SHRI AKHILESH DAS: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that the global Missile Technology Control Regime (MTCR) has placed obstacles in the development of India's military missile programmes;

(b) whether it is also a fact that as a result thereof the above programme has been delayed; and

(c) if so, steps Government propose to take to ensure that the missile systems are developed in shortest possible time?

THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (SHRI N.V.N. SOMU): (a) to (c) There is embargo for certain products and devices due to MTCR. These products were taken up for development with intensive time bound schedule, as a consortium effort pooling the talents within the country. Now these products are available and this effort has taken additional time. Hence the progress of missile programme will not be effected.
